Convention Levels & Fees

Broadway Babies (ages 5-6) **\$160** * includes an observer band.

Super-Stars** (Juniors 7-8yrs) & **Co-Stars**** (9-10) & \$320 per student

****these levels may or may not dance in the same ballroom (they may be combined).**

Guest Stars (Teens 11-13yrs) **\$320** per student

Producers (Seniors 14yrs-up) **\$320** per student

Dancers will learn a combo for the Scholarship Auditions in class-if a dancer is taking classes in a level that is above their age/level, they will stay in that level for the audition but if selected, they will receive a scholarship for their actual age/level. In other words, if your dancer is more advanced than their age level truly, and they want to take the higher level classes-to be fair, they must audition in their actual more advanced level (to be fair). **This is an advanced commercial style convention and I advise that all students dance in their age/level classes and not worry about "being with their friends" as dancing above their level can lead to injury.** All SDE Members are expected to participate in the Auditions as they will remain in the room (will not be eliminated and excused) so that they learn from the experience. Each time they push themselves to go through this process, they will learn vital skills and each successive audition will be easier and easier. **All dancers should take all of their classes as well even if they do not normally take the type of dance at our studio. This will expose them to a different style and broaden their horizons. Picking up choreography and different styles of dance is a skill that is only developed by taking as many classes as possible.**

The Form/forms & Fees for this Event are due by Sat. Jan. 9th.

A \$25.00 late fee will be added if paid after Sat. Jan. 9th—thank you for keeping your tuition up to date.
